

SCHULZ HOBBS

ACCOUNTANTS AND
BUSINESS ADVISERS

To be a good adviser you need good technical skills, of course – but I find that listening can go an equally long way.

Steve Lawrie

Background

Steve has been in the accounting profession since 1993. He became a Partner of Schulz Hobbs in 2008 and the Managing Partner in 2009. During this time he has gained considerable experience in a wide range of services for SMEs.

Expertise

Steve has proven experience in all aspects of tax and accounting. He also has extensive knowledge of Superannuation and has led the development of Schulz Hobbs' work in the area of Self-Managed Superannuation Funds and Superannuation Audits.

Steve prides himself on the delivery of an attentive and personal service for his clients which helps him to understand and meet their precise needs. His genuinely proactive approach ensures beneficial long-term solutions and strategies for his clients.

Industry Experience

Steve works with many clients across a diverse range of industries. He has specific expertise in the primary production and resources industries.
